Qualities:

- Manufactured from steel with high tensile and yield strength
- Solid design
- Mounted directly on to the fork carriage - from 12 tons capacity upwards with PIN-type mounting
- Carrying Ram coated with Polyurethan optional

- 10T and above - Terminal West / Pin-Type mounting available upon request.
- From 10T185 upwards the basic plate measurement A/B is only exemplary and should be adapted to the truck mounting.
