

Mini Drum Clamp T405

slip-on-fork version

Specification:

The KAUP Mini Drum Clamp T405 is the right choice when cylindrical drums and/or garbage vessels should be transported occasionally. For it the mini drums clamp has to be put on the existing forks, arrested and connected hydraulically with the forklift.

Attachment is operated hydraulically, i.e. supplied with oil from the forklift truck's hydraulic system. Truck requires one additional hydraulic function.

Attachment is available for operation in explosion hazardous areas.

Attachment can be fitted with different types of contact pad surfaces specifically suited to the application.

Mini Drum Clamp T405

Technical specifications

Model						
0,3T405	300	320	520-920	921	95	155
